WE ARE SORRY, BUT IT IS GOOD-BYE

With joy and a lump in our throats we click off these last few lines on the typewriter before covering it and putting it away for the summer. We have done our best and have given you all we could. Though handling the paper so that satisfactory issues come out, not one minute late during the entire year is no small task, we still wish that we could do more for you.

During the year we have tried to reflect student opinion and show our favoritism. We have received all kinds of criticism from people who carried paper in varying degrees from the best in the world to the worst sheet that ever carried printer's ink. In all of it we have endeavored to find some way to better the paper and not let it haunt us into the

P.S.B. HEAD WRITES NOTE OF APPRECIATION

In behalf of the Public Service Bureau we wish to extend a vote of thanks and hearty appreciation to the writers of these articles who have participated in programs during the school year. Any success that the bureau may have achieved is due to the efforts of these writers. The names of the students in filling appointments, as they have been called.

We owe very much to the splendid cooperation which has been given as the most disinterested and the dramatic art department. They have been in the making of the paper to help us. To our associate directors, John Allen, Ruth Clark and Audrey Olson, who also give unlimited praise for the fine way they have handled things throughout the year.

—HENRY D. TAYLOR,
 Director of Public Service Bureau.

BIOLOGY DEPARTMENT PLANS SUMMER TRIP

The third annual biological expedition of the Brigham Young University, under the leadership of Dr. Vazaro T. Tanner, and Dr. Carlton Tanner, leaves the university on June 2 for a four week's trip, from which they hope to bring back some new specimens for the collection already on hand.

William Beck and Orin Eldridge, two major students of the department, will perhaps one or two others will help make up the members of the expedition.

This group will go into north-western Utah to the Grosvenor Creek and Salt River ranges. Sometime will also be spent in southern Idaho and north eastern Nevada. Two weeks will be spent in the Deep Creek country.

These trips mean much to the department for the native fauna and flora of the states will be gathered and the collections used for research in the department.

According to Dr. Tanner, "This should be one of the most interesting expeditions, for many specimens new to our collection will be found, and perhaps some new species too."

A. K. L. Chi will hold Last Luncheon of Year

The Alpha Kappa Psi held their farewell luncheon in the art building yesterday at noon. At the luncheon the initiation of officials for next year was made. President, Lowry Anderson, first vice president, Fred Johnson, second vice president, Fred Johnson, secretary, Anthony V. Haggis, treasurer, Harry Taylor, treasurer, Elroy Johnson, chaplain, Gern Webb, warden.

clouds or squelch us into the depths.

One thing has been paramount to us, that is, to do nothing which will reflect unfavorably upon our school. It has made us try to weigh everything carefully. We have not pleased all, but with a knowledge of how little that is we have consoled ourselves. If we have committed sins in your eyes for which our apology will suffice, we give it humbly. We will never commit them again, because this is our last issue.

And so, after having made a semi-weekly out of your paper, boosted its circulation more than double its former circulation, linked it up with those who have gone on before so that they are in constant touch, with Alma Mater, put it on a firm financial basis, endeavored to keep the high standard of idealism characteristic of your school and the high standard of work in the paper itself, we reluctantly have and give to the incoming editor and business manager our heartiest wish for greater success.

CAMPUS BEAUTIFUL

Just at the time when the campus takes on its most beautiful aspect we have to leave it. From what was nothing but a barren hill the gardener has made a wonderfully beautiful campus out of the Maser Hill. Continual improvements on the lower campus have changed its appearance so that our campus may be ranked as one of the most beautiful in the west.

CONGRATULATIONS GLENN

Congratulations are in order for our friend and enemy, Glenn Potter. He has worked both day and night for some weeks and now has finished the work on the annual which will be ours today.

Special emphasis has been placed on campus life by the editor. He claims to have an unequalled collection of pictures, and at Bunch is where he shines, according to reports.

We know that he has taken many a slap at "The Y News" in his comic section and we have been as many at him in our sheets but now, as far as we are concerned, we bury the hatchet and publicly make it known that despite the fun that has appeared among the editors of the two publications are the best of friends. Their little brawls throughout the year have been merely to stir up a little life. We congratulate Glenn on getting the annual out on time, and for the splendid type of work that he has put into it.

Student President Writes

BEFORE leaving school I desire to leave my best regards and well wishes with all people on the campus who have assisted me in any way this year. I appreciate the cooperation the faculty has given, and especially the encouraging support of President Harris. The student body officers have all been vital in their work and I deeply appreciate their assistance. To the entire student body I desire to express my best wishes for the future success and happiness of all individually and collectively. My very next year be more profitable than ever. I take great pleasure in expressing through the columns of your paper this last adieu.

—DAVE HART.

SUGGESTED SUMMER READING

Suggested summer readings for college students.
 "To Play Poker," by Hoyle.
 Sears-Robuck's catalogue.
 "Kilroy Was Here," by Eugene.
 "Porter Walton Seed Book."
 "Bart of Kane County," by H. R. Merrill.
 "The Kites," Osmund.

President's Home Nearing Completion

Chief among the campus improvements is the home of President Harris which is being built as a home for the president of the institution. The home is of red brick and contains fourteen rooms.
 The house will be completed so that President Harris and his family can move in about July first.

Society

The faculty of the home economics class entertained the girls who are graduating from that department at a dance given in the school during room Tuesday evening. After dinner the ladies attended the theatre.

Miss Anna Smoot and Miss Evelyn Brown entertained the Miss Kays social unit Tuesday night, at the home of Miss Smoot.

Miss Grace Nelson Stewart, a former student and teacher of the institution, was a campus visitor Wednesday.

The following are some of the students visiting school this week: Miss Maude Neilson, Miss Thera Low Olsen, Mr. and Mrs. Clara Johnson, Miss Maggie Barton, Miss Florence Maw, Mr. and Mrs. Row and Dad Ross.

The Crests Tea social will hold their last meeting at a luncheon in the Y. Several cheer leaders were given by the members of the club and the business was finished up by the year.

Professor Miller's physics class held a lawn party last Tuesday. A good time was had by all.

Wednesday, May 23, Miss Martha Farrington entertained the Dea Semi Fa social unit at her home. Business was settled at a dining luncheon and was served to those present.

The recreational leadership class held a party at Arrowhead last week. Several cheer leaders from the Washburn were in charge of the games. Various aquatic sports were participated in by all, after which high refreshments were served.

Student Writers Letter Of Appreciation

Pittsburgh, Pa.,
 724 Fifth Street
 May 1, 1928

As the school year draws to a close I wish to express my sincere appreciation for "The Y News" which has been coming to me during the past couple of years while I have been in the mission field.

In attending the B. Y. U. I learned to love the mission field, and I will feel and want to be a part of it. Therefore I am with you in anticipation that I have looked forward to the reading of "The Y News". It gives me a lot of satisfaction to read the school's activities and programs, the athletic, debating, contest, plays, political programs, etc., and I appreciate the fact that "The Y News" staff have afforded me this privilege. I wish for the continued success of "The Y News" and its staff. I am sincerely your friend.

Twelve Men Taken to Conference Track Meet

Today and Saturday will witness the winding up scene of the Rocky Mountain conference for this season, when twelve western colleges meet at Denver to compete in track and field events for the conference championship.

The ten men composing the "Y" team left Wednesday at 12:25 p. m., accompanied by Coach C. J. Hart and President E. L. Roberts of the Rocky Mountain conference. Coach Roberts came into office on March 24 as a term of one year.

Preliminary events are scheduled for Friday, with the final heats Saturday.

The competing schools are: U. A. C., University of Utah, B. Y. U., Colorado State, Montana State, University of Wyoming, Colorado Teachers College, Western State College, Colorado School of Mines, Denver University, University of Colorado and Colorado College.

Young has the following men scheduled for the trip: Miller, Rowe,

Coffins in the sprint, Don Simmons, Wright, Jensen, Kelly, Bentley, dance, J. Corbett, U. Corbett and Kevins for the weight.

There is everything into consideration of the A. C. and "Y" are probably the favorites, with the Farmers having a slight edge. The southern school has with their handful of outstanding men, Burke, Worthington, and Haworth. The latter they were well prepared to be considered for the week-end meet. They are assured of 23 points at the outset of the meet.

The "Y" is sure of about the same number of points coming from a win in the low hurdles, one sprint event at 100 yds. in the mile relay, third or fourth in the hammer. There is no half mile relay stake.

The men are all in good condition, and after their decided victory last week are primed to discard all Jewish tendencies and bring something back in the way of bacon.

PROSPECTS LOOK BRIGHT NOW FOR BIG YEAR

With the change in the athletic staff, the opening of the stadium and the old material back, and the influx of new material, a great year is expected in athletics.

Football should take a leap into prominence. Many of the old stars are coming back and there is a sure feeling of some fine material from the fresh squad.

Basketball will see a return of merit by all of last year's stars, and the inclusion of several great high school players have shown their good to attend here next fall.

Track, swimming, tennis and wrestling all show the same prospects and so with no bad turns there should be more ahead of the old school in the conference.

Girl Athletes Notice

All W. A. A. members desiring credit in swimming, basketball, basketball, track, hockey, hiking, archery, tennis and dancing for the entire year, please make reports for each activity as follows: Number of hours spent in each activity and the team you made first, second or third. Please give said reports to Bessie Iversen or Bettina Larson not later than May 28.

It is easier to make a new quarrel than to patch up an old one.

COLORADO CHAMP IS ELIMINATED BY HOLT AT SALT LAKE

Dixon Wins in Singles;
Holt - Dixon Duo Defeat;
Brinley - Munk Defeated

It was with interest that the Brigham Young university notes that Paul Holt, freshman star of the Young university defeated the conference champion, singles player of two years ago, and second place winner last year. He is a freshman of Colorado University, and defeated Brock Dixon to win his title.

Donald Dixon, also of the Brigham Young university won his first round match against Joe Cowley of the Utah Agricultural college in straight sets, 6-3, 6-4.

Land Johnson of Logan, and Chas. Blevins of Salt Lake also won their matches, and in doing so, eliminated all of Colorado's hopes.

The tournament is being held at Salt Lake City and will conclude Saturday.

The doubles combination of Holt and Dixon easily won its way into the semi-finals by defeating Fongberg and Hayden of the University of Utah in straight sets. The score being 6-2, 7-5.

Brigham Young's other doubles combination lost in straight sets in the other bracket to the U. A. C. team of Johnson and Hansen. The score in this match was 6-3, 6-1.

The Colorado hopes now rest on the Cowley and Christensen 6-3, 6-5.

Blevins and Freed of Utah defeated the other Colorado entry, McHill and Anderson, by a score of 6-1, 4-6, 6-3.

GIRLS' BASEBALL LEAGUE CLOSES

The girls' baseball league, which with three hundred girls participating was won by the warriors of the 2-30 class.

The Warriors went through the entire tournament without once being defeated. Closely contested games were played with the Lucky Lady team of the 9-30 class and the Black Cats of the 10-30 class.

We call it "pop" the highbrows call it "potentially" but what ever it is it is a necessary quality or ingredient for any athletic team.

It isn't words, but ideas, that writers lack.

LOCAL MEN SIGN FOR A. A. U. TRACK MEET

Many B. Y. U. track men contemplating entering the A. A. U. divisional try outs to be held in Salt Lake City June 2.

Owen Rowe, the iron man of the Cougar track team, will enter the 100-yard and 200-yard dashes. Rowe has made near record time in the 220 and conceded a good chance of entering the section meet to be held in Los Angeles to select men to participate in the final tryouts in New York.

Mark Reeves will enter the hundred and dash. Reeves has to beat the discus within a half foot of the state record held by Bill Cox, in the recent state meet. Reeves and Cox should stage a real contest for the right to participate in Los Angeles.

Albert Corleyn, joint holder of the state record in the 100-yard dash, will enter that event.

Jackie Burton, will enter that event. Corleyn should lower his time for the quarter mile, as much as his record time was made in passing out around Bertha's turn.

Bradford Jensen gives great promise in the half mile and should earn a trip to Los Angeles.

From this group of athletes Cougar has a number of a member of the U. S. Olympic track team.

Girls Represent 'Y' At Convention

The Women's Athletic Association was well represented at the state convention at Salt Lake City over the week-end. Registration for the convention began at 11:30 a. m. at the Utah Y. M. C. A. After this a delicious luncheon was served at the Utah Cafeteria. The rest of the afternoon's program consisted of a round table discussion, exhibitions by five girls of the B. Y. U., under the direction of Mrs. Ellis Black. Color squad competition followed, in horsemanship, tennis and basketball. At 4:30 p. m., the group left for Pleasant Inn in Immigration Canyon, where an elaborate banquet was held.

FIVE STUDENTS WILL GO EAST

During the first part of June there will be well represented at the state convention at Salt Lake City over the week-end. Registration for the convention began at 11:30 a. m. at the Utah Y. M. C. A. After this a delicious luncheon was served at the Utah Cafeteria. The rest of the afternoon's program consisted of a round table discussion, exhibitions by five girls of the B. Y. U., under the direction of Mrs. Ellis Black. Color squad competition followed, in horsemanship, tennis and basketball. At 4:30 p. m., the group left for Pleasant Inn in Immigration Canyon, where an elaborate banquet was held.

Those who are leaving are Harold Clark, Kenneth Hendley, William Edwards, Reed Porter and Sam Nelson.

HIGH SCHOOL EXERCISES ARE HELD LAST NIGHT

BRIMHALL WRITES CONCERNING STADIUM

Graduation exercises for the "Y" high school graduating class were held Thursday evening in College Hall. Prof. Roy A. Wilber, of the Bear State Seminary, delivered the address at the graduation.

Immediately after the exercises the annual commencement ball was held in the Ladies' Gymnasium, which was enjoyed by a large attendance. Both the exercises and the dance were under the direction of the senior class.

Provo High School Graduates Class

Tonight, May 25, at 8:00 o'clock the Provo high school and one of its most successful years, at which time the commencement exercises will be held in the Provo high school auditorium.

The students of the Provo high have enjoyed a very successful year in school activities and achievements and are justly proud of their graduation class which numbers one hundred and fifteen.

Dave Hart Wins Efficiency Medal

Announcement is made by the faculty that David P. Hart, president of the student body, has been awarded the efficiency medal which is given by the local Chamber of Commerce.

Mr. Hart has been one of the most active of the students in school and has been successful in putting over a very good year. The medal is awarded upon a three-fold basis, scholarship, activity and character.

Marie Poulson Marries

True to traditions of school teachers and southern Utah, the matrimonial fever has claimed another of our normal graduates. Marie Poulson, a prominent student of last year, has recently changed her name from that of Miss Nolen A. Hockingbrad. The couple plan to make their home in Millard.

Carl Prior Returns To Be Graduated

Carl Prior, a senior of this year, has come back for graduation.

Prior is the Colorado district manager for the Grapnel Utah Woolen Mills, and his territory comprises the state of Colorado, Texas, Kansas and Oklahoma.

By President G. H. Brimhall

When in days to come we sit in the new stadium, the thought of having been one of its builders will give a thrill of satisfaction, second only to the thrill of generosity that possesses us when we contribute to the building of this great structure of recreation and public instruction.

This is one of the enterprises through which we may give evidence of our belief in building that others get is an opportunity of our lives for showing faith in the future of the school on the earth.

High minded generosity is a signal of lasting success. It is an inward sign of an inward progress. It prevents soul shrinkage.

Nuggets Elect Officers For Coming Year

At the meeting of social unit number one, the Nuggets, the following officers were elected for the school year of 1938-39:

President, Henry D. Taylor; Vice-President, Joseph K. Allen; Secretary and Treasurer, R. Thornton Sawey; Representative, John L. Allen.

STUDIO GUILD HOLDS ITS FINAL BANQUET

Last Saturday night the Studio Guild held its final meeting for the year at the "Y" Confectionery, in the form of a banquet.

All pending business affairs were settled and elections for the coming year carried out. Following are the new officers of the Guild: Veril Dixon, president; Edith Rice, vice-president; Florence Prader, secretary; and treasurer, R. Thornton Sawey.

Developing the program consists in making the members work to earn money to buy the white man's goods.

All people who will not be able to produce their student body award before they have school issued go to the Student Supply and have their names and addresses that these awards might be mailed out. Do not fail to do this.

Many Visitors Return To See Old School

There have been a large number of old friends and students of the Brigham Young University on the campus this week, visiting the school. Among those who have returned to participate in the commencement exercises are:

Mr. and Mrs. Glenn Rowe, who have been teaching in Wyoming during the past year. Mrs. Rowe was formerly Miss Maude Barton.

Gail Plummer, last year's News editor, who has been teaching dramatic art at Monroe.

Kenneth Broadbent, teacher of dramatic art at Lehi.

Emma Snow, who has been teaching in Roosevelt.

Lloyd Oaks, who for the past year has been teaching in the east.

Other visitors are: Benjie Davies, Claudia Johnston, Ruth Christensen, Nial Nelson, Thora Lou Olson, Talma De Lange, Harvard Olsen, "Dad" Rea and Gene Tompman.

AS the school days become numbered and partings are made, we extend our wishes for a joyous and a complete holiday, thanking you for your patronage and support during the year just past, and instead of saying "adieu" we extend an invitation and welcome to you during the hot summer months. To our theatre, well known for its high class productions, comfort and coolness, due to the best ventilating system in Utah.

It is our aim always to give entertainment, pleasure and satisfaction.

The
Paramount

Adjustments Made On Faculty Staff

Changes in the personnel of the faculty for next year are being announced. However, the physical education department will be headed by a newly appointed coach, with "Oat" O'Connell, Kearney, head of the department and Fred Brown, assistant.

The vacancy which will be left during the absence of Prof. E. H. Parson, head of the department of dramatic art, will be filled by Almasa Parson, former dramatic art student.

As Dean Hoyt of the college of commerce will be on leaving plans, his work will be carried on by Prof. Harold R. Cook, who will return in the next term, leave being on absence, and advised by Mrs. Emma Miller and Reed.

Prof. Franklin Madison will not be present for the week on account of absence, the acting part of next year.
